

WILLIAM L. ANTHONY

William Anthony is a financial manager with experience in manufacturing, logistics, inventory, and transportation financial management, including process analysis, cash control and budgeting, corporate planning, financial strategy improvement, inventory control logistics, and cost accounting. He has developed sophisticated, flexible financial models used in the analysis of a variety of PPP projects.

- 2010 to date** **YAVAPAI REGIONAL CAPITAL, INC.** **Cave Creek, AZ**
Principal and Board member, with particular focus on developing financial models for this PPP advisory and financing group.
- 2015 to date** **INTEGRATE.COM**
Director of Operations. Rebuilt scalable processes for more automation and better control and analysis of cash flow management, contracting, financial modeling, and strategic planning for demand-driven product offerings. Also overseeing company transition to a new corporate sales management/customer interface platform.
- 2013 to 2015** **IO DATA CENTERS / BASELINE** **Phoenix, AZ**
Sales Operations and Analytics. Focused on reshaping IO's planning process from demand planning through delivery. Created a data-driven S&OP process to meet new targets, managed monthly demand planning and sales pipeline analytics, implemented a new Salesforce CRM system, and redesigned a sales commission plan that drove sales team to higher profitability deals.
- 2011 to 2013** **FENDER MUSICAL INSTRUMENTS CORPORATION** **Phoenix, AZ**
Finance Manager. Improved supply chain metrics and cost management for this internationally-known \$1 billion manufacturer of musical instruments and sound equipment. Manage a \$600mm annual inventory spend and \$40mm supply chain. Designed and managed the transition from an Excel-based inventory forecasting/reporting model to a Hyperion cube program.
- 2008-2011** **AVNET ELECTRONICS** **Chandler, AZ**
Senior Financial Analyst and Project Manager with focus on improving efficiency of \$225mm global logistics budget.
- 2006-2008** **FREESCALE SEMICONDUCTOR** **Tempe, AZ**
Cost Controller for microchip factory.
- 2002-2006** **RAYTHEON CORPORATION** **Tucson, AZ**
Financial Analyst II and Six Sigma Specialist for missile manufacturing group.
